As the World Ombudsmus is the branch of Earth Federation specifically charged with enforcing human rights protection, please note *Earth Constitution* Article 12, *Earth Constitution* Article 13, and the following Human Rights Declarations posted at the Office of the UN High Commission for Human Rights website. While the provisional World Parliament has not yet taken decision regarding most of these important human rights instruments of the OUNHCHR, in principle the Earth Federation acknowledges and should enforce at least as much protection as is directed by these human rights instruments:

- [International Covenant on Economic, Social and Cultural Rights 1966](#)
- [International Covenant on Civil and Political Rights 1966](#)
- [Optional Protocol to the International Covenant on Civil and Political Rights](#)
- [Second Optional Protocol to the International Covenant on Civil and Political Rights, aiming at the abolition of the death penalty](#)
- [International Convention on the Elimination of All Forms of Racial Discrimination ICERD](#)
- [Convention on the Elimination of All Forms of Discrimination against Women CEDAW](#)
